

Airbus Helicopters / Airbus Group Australia Pacific

Airbus Group Australia Pacific is a part of Airbus Group, a global pioneer in aerospace and defence related services whose companies include Airbus, Airbus Helicopters and Airbus Defence and Space.

Wholly owned by Airbus Helicopters, Airbus Group Australia Pacific represents Airbus Group in Australia, New Zealand and the South Pacific and is the region's largest helicopter manufacturer, employing more than 1700 people across 20 sites in Australia and New Zealand.

With the largest market share in civilian and military helicopters, the company supports more than 500 Airbus Helicopters and is well recognised as a leading Through-Life-Support provider in military fixed wing and helicopter platforms in both Australia and New Zealand.

Current Programs include:

- MRH90: Delivered 35 of 47 variants of the NH90. Assembled and supported in Australia.
- ARH Tiger: Delivered the complete order of 22 ARH Tigers, training, spares and support. The company is now providing platform sustainment.
- C-130J: Ongoing sustainment support provided to the Royal Australian Air Force's fleet of C-130J transport aircraft in Richmond, New South Wales.
- AP-3C: Sustainment support to the Royal Australian Air Force's fleet of AP-3C Orion surveillance planes.
- Civil Helicopters: sales and support of the complete range of Airbus civilian and parapublic helicopters in Australia, New Zealand and the South Pacific.
- Safe Air: Support of New Zealand Defence Force fixed-wing and helicopter platforms, and MRO of propellers and engines for military and commercial operators.
