

## **Airbus Helicopters Malaysia Backgrounder**

### **Leading Presence in Malaysia**

Airbus Helicopters Malaysia was incorporated in August 2002. Since our set-up in Malaysia, we have established our footing not only as a centre of sales and distribution of Airbus Helicopters products, but also a leading maintenance, repair and overhaul (MRO) service centre.

Our facility is strategically located just 25km from Kuala Lumpur at the Helicopter Centre, Malaysia International Aerospace Centre (MIAC), Sultan Abdul Aziz Shah Airport, Subang, Selangor Darul Ehsan. Spanning more than 10,000 sq meters, we are fully-equipped to provide a broad spectrum of services ranging from scheduled and unscheduled maintenance, aircraft modifications, logistics support, ground handling and hangarage.

### **Our Core Business**

- Sales and Distribution centre for new and Pre-owned Airbus Helicopter aircraft
- Manufacturer's MRO
- Aircraft completion including modification, design, painting, installation and retrofit services
- Customer support, logistics and operations

### **Dedicated Force, Wide Outreach**

A team of 120 personnel are geared up to support our customers' businesses and operations in Malaysia. We support our customers nationwide with additional facilities and field representatives in:

- Miri, Sarawak (site office)
- Kerteh, Terengganu (Field Service Representative)
- Kuantan, Pahang (Field Service Representative)
